

Community Outreach

2.0

Effective Date 1/1/99

3.0

Scope

This policy addresses all outreach operations conducted by the laboratory.

4.0

Applicability

This policy applies to all employees of Fermilab, Users and Visitors.

5.0

Policy

Fermilab will conduct an active, ongoing program to involve the community and all stakeholders in the decision processes that impact the laboratory's relationship with the surrounding communities. Fermilab also utilizes its resources to further academic excellence in the surrounding communities.
