

Operations

2.0

Effective Date 1/1/99

3.0

Scope

This policy addresses the safe operation of the equipment and facilities that comprise Fermilab. Particular emphasis is placed on continuous shift operations.

4.0

Applicability

This policy applies to all operations that are conducted at Fermilab.

5.0

Policy

It is the policy of Fermilab to conduct all operations in a safe, responsible manner. Division/Section Heads shall implement programs for their areas of responsibility to insure that all operations are conducted in this manner. Organizations that have continuous operations shall have procedures in place that assure the smooth and safe transition of operations to each succeeding shift.
